

Gord Hardie CFP, CIM, FCSI

Gord is the Vice President, Financial Planning at the Independent Accountants' Investment Counsel Inc., (IAIC) and is responsible for both managing the division, as well as providing comprehensive financial plans for IAIC clients.

Gord began his career in wealth management in 1992 and has worked at various national financial services firms as both a Senior Financial Consultant and a Regional Manager. Throughout his career, Gord has attained several licences and accreditations from various governing financial service bodies. Gord joined IAIC in 2010 to lead the newly established financial planning division of the organization.
